

June 2009

Position Available: Summer Marketing and Programs Intern

Colorado Ski County USA (CSCUSA) is the trade association representing the twenty-two ski/snowboard resorts throughout Colorado. Based in downtown Denver, the organization focuses on Marketing, Public Policy and Public Relations.

The summer is our busy planning time. A lot of time is spent on logistics, design, database updating and overall planning for the next season. The internship will focus on assisting on the many projects and programs CSCUSA facilitates. Projects will include but are not limited to:

- Database management and updating
- Assistance with Partnership proposals
- Assisting with the design and editing of collateral
 - Gold Pass
 - 5th & 6th Grade
 - GEMS
- Web content management
 - Lodging locator
 - Snow Conference
 - Annual Meeting

Internship Qualifications:

- The internship will be approximately 6-8 weeks depending on the start date, ending the end of August
- A minimum of 20 hours per week is expected, schedule can be flexible but will be during normal business hours
- Very detailed oriented
- Able to work within Excel, Microsoft Word and Access
- Reliable, dependable, flexible and responsive
- Able to carry items up to 25 lbs
- School credit is available, this is an un-paid internship
