

## 2023 SNOW CONFERENCE NOMINATION & EVALUATION FORM

In nominating candidates for a CSCUSA Snow Conference award, we encourage you to select individuals who best portray your image of the ideal snowmaker, groomer, or terrain maintainer-manager. Please use the following guidelines:

- Candidate has worked a minimum of one (1) full ski season in their respective category.
- Candidate may be a supervisor or a lead or line employee.
- Candidate positively influences others by demonstrating leadership qualities, raising the standards for fellow employees, and continually striving to improve their skills.
- Candidate works well with both their crew and other departments.
- Candidate possesses the qualities and skills that you believe represent your ski area's best snowmaker, groomer, or terrain maintainer-manager.

Each of your nominees must complete their own, separate nomination form (2023 Snow Conference Nomination form, attached). All nominees for CSCUSA Snow Conference awards must participate in an interview on the morning of Tuesday, April 4, 2023, at the Snow Conference in Grand Junction, CO. All nominees will receive a reduced registration fee for the Conference & Trade Show.

CSCUSA Snow Conference award nominees will be recognized at the Snow Conference Awards Banquet, at which time two finalists in each category will be announced. Snow Conference award winners will be revealed and honored at CSCUSA's Annual Meeting & Double Diamond Awards, in June in Denver.

*Nominations are welcomed from all resorts, regardless of resort affiliation. However, CSCUSA award finalists and winners must be individuals from Colorado Ski Country USA member resorts.*
