

Snowmaking & Slope Maintenance

Fly Fishing

Wednesday, April 3rd

Location: TBD

Meet in parking lot after lunch

Join us for an afternoon of fly fishing. We will plan to fish in or near the Highline State Park or Connected Lakes. Depending on interest of the group, we will decide which lake to go to.

It is highly recommended to have all your fly-fishing gear, current Colorado fishing license, and water/snacks. We will be out for approximately two to three hours and the areas we will ride are remote and exposed, please plan accordingly and responsibly.

See you there!
